

School Organised Activities

Lae Unitech School of Nursing aims to build professional and reliable citizens through the Diploma in General Nursing Program. Apart from the normal academic schedule, we have schedules for School organised activities throughout the year. The School Organised Activities' main objective is to get our students to take ownership and responsibility of these events. We provide guidance for them to take responsibility and achieve desired outcomes at the end of each organised activity. We believed that this will help them develop strong leadership skills. Moreover, they will develop responsible, reliable and upright characters in the Community as a whole.

Here are some of the main School Organised Activities:

- a) Nurses Day Celebration
- b) Mandatory Religious Fellowship
- c) Graduation
- d) Independence Celebration

Independence Day Celebrations
