

Student Organised Activities

TSCF, Fun day, Social Day, Social Nights (Movies nights, Coffee Nights, Sausage Sizzle BBQ), Organised sports

We encourage our students at Lae Unitech School of Nursing to be as interactive as possible in activities that will advocate personal growth and development apart from their academic life. They achieve this through engaging in self-organised activities that will drive positive results. Among many of the Student activities, these are a few main activities that students organise to take part in.

- a) TSCF Fellowship
- b) Social Day
- c) Social Nights
- d) Organised Sports
- e) Coffee Nights
- f) BBQ night/day

Fun Night
